

Single Equality Statement (SES) The Bridge Education Centre

1. Introduction

We welcome the equality duties on schools. We believe that all pupils and members of staff should have the opportunity to fulfill their potential whatever their background, identity and circumstance. We are committed to creating a community that recognises and celebrates difference within a culture of respect and cooperation. We appreciate that a culture which promotes equality in relation to all protected characteristics (age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation) will create a positive environment and a shared sense of belonging for all who work, learn and use the services of our school. Our commitment to equality and diversity is a fundamental part of our drive towards excellence.

We recognise that equality will only be achieved by the whole school community working together – our learners, staff, governors and parents in particular.

Throughout this Statement, ‘parents’ can be taken to mean mothers, fathers, carers and other adults responsible for caring for a child.

This school is committed to:

- dealing firmly with any incidents of discrimination, harassment and victimisation
- enabling equality of opportunity to access the school curriculum, extra-curricular activities, resources, staff vacancies, training opportunities etc ...
- recognising the value of a diverse and inclusive school community
- ensuring that staff and pupils within the school operate within the requirements of equality legislation and where necessary deal firmly with breaches of this statement and its principle through pupil and staff discipline procedures
- ensuring support is provided to pupils and staff where a formal complaint or grievance is submitted.

This Single Equality Statement sets out how our school intends to:

- eliminate discrimination, harassment and victimisation
- advance equality of opportunity
- and foster good relations.

We seek to do this in a holistic and proactive way and in line with our duties under the Equality Act 2010. It also sets out how we will publish information and objectives to demonstrate our commitment to and compliance with the Public Sector Equality Duty.

The Statement is based on the core principles that its effectiveness will be determined by

- active involvement with key stakeholders, not just in developing this Statement but also in its review and implementation
- proactive leadership
- prioritising activities that produce specific, tangible improved outcomes
- removal of attitudinal and cultural barriers.

2. Information gathering

We will collect a broad range of qualitative and quantitative information to monitor our policies and practice and to demonstrate our progress in equality, inclusion and community cohesion. Our single equality approach helps us to more effectively monitor our progress and performance, as our pupils and staff may face more than one barrier to achieving their full potential. We will consider the information we have collected about our school, where possible, in the context of national and county information.

Qualitative information that may be included:

- school policies (where they make a statement about prohibited conduct and the importance of avoiding discrimination)
- minutes of governor meetings (particularly those evidencing discussions regarding responsibilities for equality)
- notes of staff meetings (where staff responsibilities for equalities have been discussed) or details of staff training in relation to equalities has been undertaken
- notes of staff meetings (where staff have been made aware of how to raise awareness of their concerns or where they have been directed to key policies for them in respect of their concerns – e.g. advised to discuss concerns with the Head, or awareness of whistleblowing, staff harassment/bullying policies raised)
- a note about how the school monitors equality issues in everyday school life
- detail about particular initiatives undertaken in the school (e.g. a focus on racist bullying; an initiative to assist girls to catch up in science; an initiative to help boys improve in their handwriting) and where possible, the impact of this initiative (e.g. increases in attainment)
- information about aspects of the curriculum which promote tolerance, friendship and an understanding of different cultures
- details about assemblies which deal with relevant equality related issues.

3. Using equality information

We use the information collected to

- evaluate how well we comply with all our duties under the Equality Act
- assess the potential and actual impact of policies and procedures
- decide where positive action may be appropriate
- identify priorities, set equality objectives and update our accessibility plan
- monitor progress towards meeting these objectives and implementing our accessibility plan
- inform future action.

4. Involvement of staff, pupils, and parents

a) Developing our Statement

The involvement of a diverse group of people has been instrumental in shaping our Single Equality Statement. We have strived to involve the full diversity of our school and community, recognising that people who share a protected characteristic are best placed to identify key issues for us to address.

b) Ongoing involvement

We have strategies in place to promote the participation of pupils, parents, staff and others in decision-making and in making a positive contribution to school life. We will embed equality and inclusion into these strategies so that learners, parents and others from diverse backgrounds are appropriately involved in shaping provision and improving practice. We will consult pupils, parents, staff and others as appropriate.

We will ensure that outcomes from all involvement activities inform the action taken by the school's leadership team.

5. Monitoring and evaluating the Single Equality Statement

We will regularly monitor and evaluate the implementation of our Single Equality Statement and our objective(s), using the information which we publish annually. This information also allows our local community to see how the school is advancing equality of opportunity.

We want this Statement to be a 'whole organisational' document that drives forward equality and achieves improved outcomes. We will therefore ensure that the objectives we set and the proposed action to achieve them are incorporated in our School Improvement Plan. As such, our progress will have regular oversight by the senior leadership team and the governing body

We will formally review, evaluate and revise this Single Equality Statement and our objective(s) every four years. This process will again involve staff, learners, parents and others who reflect the full diversity of the school community.

6. Roles and responsibilities

The management committee will

- monitor the implementation of the Statement and the objective(s) to check progress and assess impact on staff, learners, parents and others
- ensure that all governors are aware of their legal responsibilities under equality legislation

- provide regular reports for governors on progress and performance
